

Seniors who have not already had portraits made with Cady Studios or who have not scheduled an appointment need to register and schedule at [www.cadystudios.com](http://www.cadystudios.com).

Students may choose from four options for when photos are made: Sat. Oct 10 at PHS; Sat. Oct 17 at PHS; Thurs. Nov 12 at PHS; or any available date by Nov 12 at a Cady Studios location (closest is Acworth).

The least expensive session option is the Simple Session. A \$30 fee applies. This fee covers photographer costs, processing costs, drapes for the ladies, faux tux top for the guys, travel expenses for road shoots, etc.

Seniors who do not register, schedule, and have photos not made with Cady will not be featured in the 2020 - 2021 PHS Draca yearbook.

After student photos are processed and made available online, student may choose the pose of their choice for use in the yearbook. Any student who does not choose a pose, will be featured in the yearbook in the pose Cady chooses as default.
